

**Office of the State Board of Education  
Advanced Clinician Psychiatry (Residency) Track  
Strategic Plan  
2009-2013**

**Mission Statement**

Idaho Advanced Clinicians Track is the psychiatry residency program offered through the University of Washington in cooperation with the Boise Veterans Affairs Medical Center, Saint Alphonsus Regional Medical Center and Saint Luke's Health System. The program supports three residents in each of four years of training. Two years of training is conducted in Seattle and two additional years are conducted in Boise.

**Goal I**

Attract quality students to the Psychiatry Residency Program that also have an interest in practicing in Idaho

**Performance Measure**

Number students applying each year  
Number of students selected

**Benchmark**

Attract two well qualified applicants for each position filled

**Goal II**

Produce three highly trained and fully qualified Psychiatrists each year

**Objective**

Train excellent general psychiatrists to practice in smaller communities with a particular emphasis on teaching resident skills in outpatient and inpatient consultation-liaison psychiatry and working effectively with primary care providers.

**Performance Measure**

Pass rate on the Board of Medicine examination  
Number of graduates remaining in Idaho

**Benchmark**

100 percent pass rate on Board of Medicine examination  
50 percent of graduates remain in Idaho

**Key External Factors Beyond Agency Control**

While resident applicant screening will include interest in remaining and practicing in smaller Idaho communities, the program has no control on factors which will ultimately dictate the location and opportunities pursued by program graduates.
